Note. All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold the Commission of Captain or Subaltern in the Militia, or of any Rank in the Local Militia, or Volunteers, and to receive such half-pay in addition to the full-pay of such commission during war. In time of peace, when the Militia is not embodied, but only trained for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of *any rank* in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission. Officers are precluded from receiving their half-pay if in the service of other Governments, unless special sanction is granted for so doing.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmities contracted upon Service, or in consequence of holding a Staff Appointment, commencing from the 25th June, 1814, with respect to Officers reduced since that date.

Both Rates of Half Pay are payable Quarterly, without Deduction, at the Pay Office, Whitehall.

GENERAL ORDER. No. 360.

HORSE-GUARDS, 4th Dec. 1818.

THE reductions which have taken place in the Establishment of the Royal Waggon Train, render it necessary to limit the portion of that Corps to be in future attached to each Regiment of Cavalry to One Private, Two Horses, and One Forge Waggon.

Each Regiment of Cavalry stationed in England, will accordingly send, as soon as possible, the other Forge Waggon with the Man and Horses attached to it, to the Depôt of the Royal Waggon Train at Croydon.

The Cavalry Regiments stationed in Ireland and Scotland will send the Extra Waggons and Harness to Dublin and Edinburgh, delivering them to the Senior Officer of the Quarter General's Department at these respective places, discharging the Men attached to them, and disposing of the Horses according to such directions as they shall receive from the Secretary at War.

It is the Commander in Chief's express Command, that, where Parties of the Royal Waggon Train are stationed, they shall, on no account whatever, be employed upon any other duties than those for which they have been specially appropriated.

Note. All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold the Commission of Captain or Subaltern in the Militia, or of any Rank in the Local Militia, or Volunteers, and to receive such half-pay in addition to the full-pay of such commission during war. In time of peace, when the Militia is not embodied, but only trained for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of *any rank* in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission. Officers are precluded from receiving their half-pay if in the service of other Governments, unless special sanction is granted for so doing.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmities contracted upon Service, or in consequence of holding a Staff Appointment, commencing from the 25th June, 1814, with respect to Officers reduced since that date.

Both Rates of Half Pay are payable Quarterly, without Deduction, at the Pay Office, Whitehall.

GENERAL ORDER. No. 360.

HORSE-GUARDS, 4th Dec. 1818.

THE reductions which have taken place in the Establishment of the Royal Waggon Train, render it necessary to limit the portion of that Corps to be in future attached to each Regiment of Cavalry to One Private, Two Horses, and One Forge Waggon.

Each Regiment of Cavalry stationed in England, will accordingly send, as soon as possible, the other Forge Waggon with the Man and Horses attached to it, to the Depôt of the Royal Waggon Train at Croydon.

The Cavalry Regiments stationed in Ireland and Scotland will send the Extra Waggons and Harness to Dublin and Edinburgh, delivering them to the Senior Officer of the Quarter General's Department at these respective places, discharging the Men attached to them, and disposing of the Horses according to such directions as they shall receive from the Secretary at War.

It is the Commander-in-Chief's express Command, that, where Parties of the Royal Waggon Train are stationed, they shall, on no account whatever, be employed upon any other duties than those for which they have been specially appropriated.

By Command of His Royal Highness
The Commander in Chief.
HARRY CALVERT,
Adjutant-General.

GENERAL ORDER. No. 361.

HORSE-GUARDS, 10th Dec. 1818.

HIS Royal Highness the Commander in Chief is pleased to direct, that when Horses are transferred from one Regiment of Cavalry to another, the Regiment which receives the Horses, shall pay to the Regiment, from which they are transferred, the Sum of *One Shilling and Three Pence* each Horse, being one half of the original Value of a Set of Shoes.

His Royal Highness is pleased at the same time to command, that Horses, previous to being sent from the Quarters of the Regiment from which they are transferred, are to be well shod, and that in order to insure this object, the Veterinary Surgeon shall invariably make a minute Inspection, and furnish a Certificate, which is to be transmitted to the Corps receiving the Horses, setting forth, *that they proceed complete in respect to their Shoeing, and specifying the several dates at which they were last shod.*

By Command of His Royal Highness
The Commander in Chief.
HARRY CALVERT,
Adjutant-General.

Warrant authorising the same Rates of Clothing Allowance, to be issued in British Money, for Regiments on the Irish Establishment, as are granted to Corps on the British Establishment. Dated 13th November, 1818.

By His Royal Highness the Prince Regent of the United Kingdom of Great Britain and Ireland.

GEORGE P. R.

WHEREAS it has been represented unto Us, that the existing differences between the Rates of Allowances granted for the Provision of Clothing to the respective Colonels or Commandants of Corps of Cavalry

and Infantry, according as such Corps may be serving upon the British or Irish Establishment, are found to be productive of confusion and inconvenience, We have judged it expedient, and it is therefore Our Will and Pleasure, in the Name and on the Behalf of His Majesty, to order, for the purpose of introducing a simple and uniform mode of Payment, that, in lieu of the Rates of Allowances hitherto granted to Colonels and Commandants of Corps of Cavalry and Infantry on the Irish Establishment, for the Provision of Clothing, the annexed Rates of Clothing Allowances, which are granted to Colonels and Commandants of Corps of Cavalry and Infantry upon the British Establishment, shall be substituted, and that the same shall be issued in British Currency, whether the Clothing be provided and paid for in Great Britain or in Ireland.

We are further pleased to order, that the abovementioned arrangement shall commence and be in force from the respective terminations of the existing Clothing Assignments, namely, on the 25th December, 1819, in Our Corps of Cavalry, and 25th December, 1818, in Our Corps of Infantry.

And for so doing this shall be, to all Persons whom it doth or may concern, a sufficient Warrant, Authority, and Direction.

Given at Our Court at Carlton House, this 13th day of November, 1818, in the 59th Year of His Majesty's Reign.

By Command of His Royal Highness the Prince Regent, in the Name and on the Behalf of His Majesty,
(Signed) PALMERSTON.

We have been made acquainted with this Warrant, Whitehall, Treasury Chambers, the 21st day of December, 1818.

Horse-Guards, 25th January, 1819.

SIR,

SEVERAL instances having occurred in which the Commander in Chief's intentions in the Orders of the 10th January and 30th October, 1817, on the subject of the Discharge of Soldiers on the payment of *Twenty Pounds*, instead of providing *Substitutes*, appear to have been misunderstood, I have received His Royal Highness's Commands to explain to you, that one of the main objects His Royal Highness had in view, was

totally to prevent the interference of unauthorised Persons in the Recruiting of the Army.

For this purpose, as well as for the accommodation of Soldiers whose good conduct entitles them to a consideration, and whose peculiar circumstances give them grounds for wishing to be released from their Military Engagements, the Regulation of the 10th January, 1817, was established, which was more minutely detailed in the General Order of the 30th October following.

His Royal Highness considers that the interests of the service in general will be promoted by the Commanding Officers of Regiments *occasionally* recommending the Discharge of deserving Men, on the application of their Friends, on the payment of the Regulated Sum, while so marked an attention to the comfort and wishes of Individuals whose *characters may give them claim to such indulgence*, cannot fail to operate as an incitement to general good conduct.

It is conceived that there will be no difficulty, at this time, of filling up the Vacancies which may from time to time occur, with Recruits of the most eligible description.

I have, &c.

In time of peace, when the Militia is not embodied, but only trained for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of *any rank* in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission. Officers are precluded from receiving their half-pay if in the service of other Governments, unless special sanction is granted for so doing.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds; or of Infirmities contracted upon Service, or in consequence of holding a Staff Appointment, commencing from the 25th June, 1814, with respect to Officers reduced since that date.

Both Rates of Half Pay are payable Quarterly, without Deduction, at the Pay Office, Whitehall.

Note. All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold the Commission of Captain or Subaltern in the Militia, or of any Rank in the Local Militia, or Volunteers, and to receive such half-pay in addition to the full-pay of such commission during war. In time of peace, when the Militia is not embodied, but only trained for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of *any rank* in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission. Officers are precluded from receiving their half-pay if in the service of other Governments, unless special sanction is granted for so doing.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmities contracted upon Service, or in consequence of holding a Staff Appointment, commencing from the 25th June, 1814, with respect to Officers reduced since that date.

Both Rates of Half Pay are payable Quarterly, without Deduction, at the Pay Office, Whitehall.

Note. All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold the Commission of Captain or Subaltern in the Militia, or of any Rank in the Local Militia, or Volunteers, and to receive such half-pay in addition to the full-pay of such commission during war. In time of peace, when the Militia is not embodied, but only trained for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of *any rank* in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission. Officers are precluded from receiving their half-pay if in the service of other Governments, unless special sanction is granted for so doing.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmities contracted upon Service, or in consequence of holding a Staff Appointment, commencing from the 25th June, 1814, with respect to Officers reduced since that date.

Both Rates of Half Pay are payable Quarterly, without Deduction, at the Pay Office, Whitehall.

LIST OF BRITISH MILITARY OFFICERS

ON WHOM FOREIGN ORDERS HAVE BEEN CONFERRED,

Who have received the Royal Permission to accept the same, and have been duly notified as such in the London Gazette and registered in His Majesty's College of Arms.

REGULATIONS OF HIS MAJESTY AND OF HIS ROYAL HIGHNESS THE PRINCE REGENT, RESPECTING FOREIGN ORDERS.

1st. That no British subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual, (directed to the Earl Marshal of England,) granting them His Majesty's permission to accept and wear the same.

2d. That the intention of a Foreign Sovereign to decorate a British subject with the Insignia of such Order shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3d. That when His Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations of *The King*, His Royal Highness The Prince Regent deemed it expedient to announce, in the year 1812,

5th, "That no subject of His Majesty could be allowed to accept the Insignia of a Foreign Order from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active and distinguished services before the enemy, either at sea or in the field; or unless he shall have been actually employed in the service of such Foreign Sovereign."

And in March, 1813, His Royal Highness was pleased to command, that the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:

6th. "That His Majesty's Licence and Permission doth not authorize, and shall not be deemed or construed to authorize, the assumption of any style, appellation, rank, precedence, or privilege appertaining unto a Knight Batchelor of these realms."

N. B. Before the Principal Secretary of State for Foreign Affairs takes the Prince Regent's pleasure, on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander in Chief, through His Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to the Prince Regent's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to the Prince Regent's pleasure being taken thereon.

Note. All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold the Commission of Captain or Subaltern in the Militia, or of any Rank in the Local Militia, or Volunteers, and to receive such half-pay in addition to the full-pay of such commission during war. In time of peace, when the Militia is not embodied, but only trained for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of *any rank* in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission. Officers are precluded from receiving their half-pay if in the service of other Governments, unless special sanction is granted for so doing.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmities contracted upon Service, or in consequence of holding a Staff Appointment, commencing from the 25th June, 1814, with respect to Officers reduced since that date.

Both Rates of Half Pay are payable Quarterly, without Deduction, at the Pay Office, Whitehall.

GENERAL ORDER. No. 364.

HORSE GUARDS, 5th April, 1819.

IT has been represented to His Royal Highness the Prince Regent, that *Lieutenant Thomas Hasker* and *Ensign Edward Ring*, who have recently been placed upon the Half-Pay from the 55th Regiment, have grossly insulted and challenged *Lieutenant-Colonel Frederick*, commanding that Regiment, upon the grounds of his conduct towards them in his capacity of Commanding Officer, while they were on Full-Pay under his Orders.

"As it would be highly injurious to the Discipline of the Service to permit the notion to pass with impunity, that when an Officer is placed upon Half-Pay, he shall feel at liberty to set aside all the restraints of decorum and subordination, by indulging feelings of personal resentment towards his

former Commanding Officer, His Royal Highness the Prince Regent, in the Name and on the Behalf of His Majesty, has been pleased to command, that his displeasure upon this flagrant act of misconduct shall be marked by erasing the Names of *Lieutenant Thomas Hasker* and *Ensign Edward Ring* from the List of the Army."

"The Prince Regent, in the Name and on the Behalf of His Majesty, has also been pleased to command, that as *Lieutenant Richard William Lambrecht*, on the Half-Pay of the 3d Garrison Battalion, who was the Bearer of the Challenge from *Ensign Ring* to *Lieutenant-Colonel Frederick*, appears to have been equally culpable, his Name shall in like manner be erased from the List of the Army."

The Commander in Chief has received the Prince Regent's Commands to promulgate to the Army the above declaration of His Royal Highness's pleasure on the subject of *Lieutenant Thomas Hasker* and *Ensign Edward Ring*, and of *Lieutenant Richard William Lambrecht*, in order that Officers on Half-Pay may be sensible, that whenever they so far forget their duty as to give vent to feelings of personal animosity and resentment against their former Commanding Officer on the grounds of his conduct towards them in his official capacity during the time they were serving under his command, they will not fail to draw upon themselves the Royal Displeasure to the same extent as is hereby expressed against the Individuals to whom this Order especially applies.

The Commander in Chief has it further in command to express His Royal Highness the Prince Regent's approbation of the line of conduct adopted on this occasion by *Lieutenant-Colonel Frederick*, and to declare that any Officer who shall prove so unmindful of what is due to his station, and so regardless of Military Discipline, as to accept a Challenge given on grounds similar to those on which these Officers presumed to challenge their former Commander, will incur His Royal Highness the Prince Regent's highest displeasure.

By Command of His Royal Highness,
The Commander in Chief,
HARRY CALVERT, *Adjutant-General.*

LIST OF BRITISH MILITARY OFFICERS

ON WHOM FOREIGN ORDERS HAVE BEEN CONFERRED,

Who have received the Royal Permission to accept the same, and have been duly notified as such in the London Gazette and registered in His Majesty's College of Arms.

REGULATIONS OF HIS MAJESTY AND OF HIS ROYAL HIGHNESS THE PRINCE REGENT, RESPECTING FOREIGN ORDERS.

1st. That no British subjects shall accept a Foreign Order, or wear its Insignia without having previously obtained a Warrant under the Royal Sign Manual, (directed to the Earl Marshal of England,) granting them His Majesty's permission to accept and wear the same.

2d. That the intention of a Foreign Sovereign to decorate a British subject with the Insignia of such Order shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3d. That when His Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations of *The King*, His Royal Highness The Prince Regent deemed it expedient to announce, in the year 1812,

5th, "That no subject of His Majesty could be allowed to accept the Insignia of a Foreign Order from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active and distinguished services before the enemy, either at sea or in the field; or unless he shall have been actually employed in the service of such Foreign Sovereign."

And in March, 1813, His Royal Highness was pleased to command, that the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:

6th. "That His Majesty's Licence and Permission doth not authorize, and shall not be deemed or construed to authorize, the assumption of any style, appellation, rank, precedence, or privilege appertaining unto a Knight Batchelor of these realms."

N. B. Before the Principal Secretary of State for Foreign Affairs takes the Prince Regent's pleasure, on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander in Chief, through His Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to the Prince Regent's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to the Prince Regent's pleasure being taken thereon.
